L. No. 1842-43 dated the 8th/11th June 1932 to the Municipal Commissioners and the Chief Engineer Cantonments for their opinion on the proposal to extend the services of the temporary establishment entertained for effecting repairs and renovations to the Bekno Haldad temples.

Letter No 15552 dated the 11th June 1932 from the Chief Engineer requesting sanction to the continuance of the temporary establishment employed for the renovation of the Bekno and Haldad temples for a further period of three years from 1st June 1932. 3.

In this office letter No 1842-43 dated the 8th/11th June 1932, the Municipal Commissioners and the Chief Engineer were requested to furnish information about the work done and the expenditure incurred, so far, in respect of the repairs and renovation work done to the Bekno & Haldad temples, the the work still remaining to be done

Serial No.

to these localities, the time and the approximate cost involved in the work. Their opinion was also requested about the Continuance of the establishment for a further period. In the P.O.R. the Chief Engineer has recommended the Continuance of the establishment for a further period of three years from 1.7.1932, without fully stating the other details called for in our letter. The Imperial Chemical has not yet sent his report in the matter.

As the Cochin Canal Scheme is to end very shortly, and as it is likely to take some time to obtain and furnish all the information called for in this office letter dated the 5th June 1932, and as the works in question are of great importance, it is for kind consideration whether, pending final orders in the matter, the existing establishment &c may not be ordered to be continued until further orders, and the Imperial Chemical

GENERAL SECRETARY
25 MAY 19
No.

Sir,

In forwarding herewith a letter in original from the Convenor of the Temple Committee at Belur, enclosing a copy of the resolution of the Committee held on the 6th May 1932, I have the honour to state --- that the work of restoration and improvement which is going on now is not yet complete, and that it is not desirable to stop it at this stage. I have therefore to recommend that, as prayed for by the Committee, the services of the temporary establishment now entertained for the work both at Belur and at Halebid may be continued for a further period of 3 years, at the end of which the progress of work may be reviewed and further action determined.

I have the Honor to be
Sir,
Your most obedient Servant,

Consulting Architect.

Sir,

I beg to enclose herewith the copy of the resolution of the Dharmadarsees meeting held on 6-5-32 regarding the continuation of grant for renovation works in Belur Temple, for your kind perusal and recommendation to Government to continue the present establishment. The renovation work as it stands is quite incomplete and several items are half-done. It is needless to say that the amount so far spent on this account by Government will be a waste if the present establishment were to be disbanded after the end of this financial year. It is no exaggeration to say that this temple is one of the few in India for its exquisite architectural beauty and historic importance. this national wealth, I beg to submit, should be protected at all costs. May I request you, on behalf of the Dharmadarsees to be kind enough to send up your recommendation to Government to continue the present establishment for renovation works.

I beg to remain
your most obedient servant

Subject:- Renovation works of Sri Chennakeshavaswami temple at Belur and Hoisleswaraswami temple at Halebid.

Sir,

Adverting to correspondence ending with this office letter No.6890-1 dated the 16th December 1931 to the Muzarai Commissioner in Mysore (copy enclosed), I have the honor to forward herewith, a copy of letter No.2039 dated the 31st May 1932 from the Superintending Engineer, Shimoga Circle together with a copy of its enclosure on the above subject, and to request you to be so good as to obtain the very early sanction of Government to the continuance of the establishment for a further period of three years from 1st July 1932 for reasons given therein.

I have the honor to be,
S I R,
Your most obedient servant,

M. G. Rangaiya

Chief Engineer of Mysore.

M.C.P.

Letter No.6890-91 dated 16-12-1931 from the Chief Engineer of Mysore, Bangalore to the Muzarai Commissioner in Mysore, Bangalore.

Subject:- Renovation works to Belur and Halebid Temples.

In continuation of this office letter No.6666 dated 11-12-1931, I have the honor to forward herewith for information, copy of letter No.1081 dated 10-12-31, received from the Superintending Engineer, Shimoga Circle, on the above subject, and to request that early orders, to continue the establishment and the works in the temples may kindly be obtained and communicated for taking further action.

" COPY "

M.C.P. For Chief Engineer of Mysore.

Letter No.2089 dated 31-5-1932 from the Superintending Engineer, Shimoga Circle, to the Chief Engineer of Mysore, Bangalore.

Renovation works of Sri Chennakeshavaswamy Temple at Belur and Hoisaleswaraswami temple at Helebid.

In continuation of this office Nos.C.945 dated 28th April 1932 and 10254 dated 4th May 1932, I have the honor to submi herewith a copy of letter No.1389 dated 27th May 1932 from the - Executive Engineer, Hassan Division and to request that sanction of Government may be kindly arranged to be obtained for the continuance of the establishment for the renovation of Sri Chennakeswara swamy Temple for a period of 3 years from 1-7-1932.

2. The estimate for these works for the years 1930-31 and 1931-32 are not yet received and the Muzarai Commissioner will again be addressed in the matter.

Letter No.1389 dated the 27th May 1932 from the Executive Engineer, Hassan Division, to the Superintending Engineer, Shimoga Circle.

Continuance of establishment for the Renovation works of Sri Chennakeshavaswami temple at Belur and Sri Hoisaleswaraswami temple at Halebid.

I have the honor to state that the sanction to the establishments entertained for the above works expires on the date noted below:-

		From	Date of Expiry
1.	Sri Chennakeshavaswami Temple at Belur. G.O.No.854-6/Muz.392-27 dated 24-11-27 for three years. G.O.No.2796-9/Muz.249-29-4 dated 9th June 1930 for 2 years.	1927-28	June 1932
2.	Sri Hoisaleswaraswami Temple at Halebid. G.O.No.2775-9/Muz.431-28-2 dated 16/20th June 1929 for 5 years.	1st July 1929.	20th June 1934.

The estimates for 1930-31 and 1931-32 sent to the Deput Commissioner, hassan, for the above two temples have not yet been received duly sanctioned with funds and as such the amount spent on those two works for the past two years is outstanding in the objection book advance schedule. The sanction to the establishment employed on renovation works of Sri Chennakeshavaswami Temple expires at end of June 1932 and that of Sri Hoisaleswaraswami Temple at end of June 1934.

The inside and outside of the temples are cleaned and the fungus growth removed and the joists pointed with cement. The details of actual work that was being turned out by the establish-

establishment is reported in the quarterly progress reports. The Sub Division Officer, No.3. Sub Division reports in his No. 1262 dated 3rd May 1932 that the establishments may be continued on the same lines for a further period of five years but I would state that a shorter period of 3 years would be enough just at present. The remaining works to be done in the temples is called for from the Sub Division Officer No.3. Sub Division and will be submitted on receipt. In the meanwhile, orders are requested to continue the establishment beyond June 1932. The Sub Division Officer, No.3. Sub Division has been written to-day to issue one month's notice to the establishment that their services will not be required beyond 30th June 1932 in case the continuance is not sanctioned by Government.

I request very early orders in the matter.

Muzrai Commissioner in Mysore.

To

Rajasevaparayana
P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to Government of His Highness
the Maharaja of Mysore,
....Financial. . . . *Department.*

SIR,

With reference to your letter No. 1577/Mur. 3/11-6-32 calling for my opinion on the proposal for the permanent retention of the establishment sanctioned for the ovaling of the Belur and Halebid temples, I have the honor to state that the proposal for retention of the establishment sanctioned in G.O. No. 2750-5, Muz 34-31-1 dated 5-8-32 for preserving the Belur temple after 31st March 1933 when the present Deputy Commissioner, Hassan District, expects that the last of the repairs at the Dharmadarsis proposes that the establishment should be retained for a period of 5 years after 1933-34 when the repairs are likely to be completed. The Junior Engineer is also of opinion that the establishment of both the Belur and Halebid temples may be continued for another period of 5 years.

As the period of establishment sanctioned in G.O. No. 2777-5, Muz. 31-31-28 dated 16/20-8-32 for preserving the Archæological temples Commences with the end of 1933-34 and that it is not desirable to stop the repairs to the Belur at an incomplete stage, I recommend that sanction may be accorded to the proposal to retain the establishment for the Belur temple till the end of 1938-39 when both the temples will be completed and the question of permanent retention of Muzrai establishments may be considered in the light of the working done so far and what remains to be done.

I have the honor to be,
Sir,
Your most obedient servant,

S. Rajagopalachari

Muzrai Commissioner.
